Student Membership

At the Game & Wildlife Conservation Trust we know how challenging it can be to find the right information and to make the right contacts. Our student membership is designed to help you get off the mark – and to get good marks when you do. It is open to anyone involved in full-time or part time study at college or university, and to recent graduates who are just starting out in their careers.

At just £12 per year, student membership brings a number of benefits including:

- Access to key publications and study resources (including our annual *Review* of research activity and quarterly magazine)
- Access to the members-only section of our website
- Opportunities to develop your networks through events in your region and social networking platforms like Facebook
- Special offers and competitions

Let us help you to help us ensure that our countryside and its wildlife are carefully and correctly managed, improving biodiversity and shaping our landscape for generations to come.
