CHAIRMAN'S WELCOME

After a three year gap, we are delighted to be back at Lochter to host our annual Grampian Sporting Auction. We were incredibly thankful for everyone's support last year when we joined forces with The Highland Committee for the online Northern Auction but sorely missed the opportunity to meet up with friends, enjoy each other's company and enjoy the fantastic food at the buffet!

As we did in 2019, we will be running a silent auction which will be open to members across the UK.

Please visit **www.gwctgrampiansportingauction2022.com** to register and bid.

The silent auction site will open on Friday 22nd April and will run until 9pm on the night of the event giving everyone the opportunity to bid until the live auction begins.

There will be tablets available at Lochter on the evening to enable guests to bid on the silent auction but I would encourage you to pre-register before the event and bid using your phone. Details of how to do this are on the next page and will be available at the venue on the evening.

If you buy a lot, unless a specific date is given in the description then the date is to be mutually agreed with the donor's representative. Please contact the donor promptly to confirm your purchase and if necessary agree a date so it can be entered into the diary.

This is important to secure your event or day, available dates are sometimes limited and not all donors are able or willing to carry forward to the following year unless there are mitigating reasons.

I would like to take this opportunity to publicly thank all of our sponsors, suppliers and advertisers for supporting the event, many of them doing so year after year. A special mention should also be made to all of our donors, many of whom will have been affected by Covid over the last two years but who have still provided lots for the auction and continue to do so even with increasing business costs and the ongoing uncertainty of bird flu in France and the spiraling costs of shooting. I'd like to thank the team at Lochter for hosting the event again and for the fabulous and widely talked about buffet that will be provided. Lastly, a big thank you to you, our guests, who return year on year and spend your hard earned money to help raise the much needed funds for GWCT Scotland.

Enjoy the evening.

Andrew Wright

Help us conserve the British countryside – now and for future generations

1

Our Scottish Demonstration Farm at Auchnerran provides an exceptional opportunity to show how economically sustainable farming and conserving wildlife are compatible in Scotland.

Help us to ensure this extensive research is used to influence, inform and inspire land managers and policy makers in Scotland.

We engage closely with our members, Scottish Government, landowners and other stakeholders, sharing our robust evidence-based recommendations based on many years of research.

Help us to ensure that science remains at the heart of the debate and continues to drive policy decisions that will promote a thriving Scottish countryside.

2

Our Advisory team in Scotland has trained 1574 individuals across Scotland since 2016 in areas including all aspects of legal and humane predator control, muirburn planning and best practice, grouse health and disease, mountain hare and wader counts and young shooters courses. We are the leading body for pragmatic game and wildlife management.

We are here and ready to train the next generation of land managers across Scotland.
