I want the Game & Wildlife Conservation Trust (Charity no 1112023) to reclaim tax on any membership subscription/donation paid after 6th April 2019

1. You must pay an amount of income tax and/or capital gains tax at least equal to the tax that the charity reclaims on your donations in the tax year (the Charity can currently claim an additional 25p for each £1 you give).
2. If you pay tax at the higher rate you can claim further tax relief in your self-assessment tax return.
3. If in the future your circumstances change and you no longer pay tax on your income and capital gains equal to the tax that the charity reclaims, you can cancel this declaration at any time by notifying us.
