- (c) the headings are for general reference only and shall not be considered when determining the meaning of this policy.

1.8 Information Given to the Insurer

In deciding to accept this policy and in setting the terms including premium **We** have relied on the information which **You** have provided. **You** must take care when answering any questions **We** ask by ensuring that any information provided is accurate and complete.

If **We** establish that **You** deliberately or recklessly provided untrue or misleading information, **We** will have the right to:

- (a) treat this policy as if it never existed;
- (b) decline all **Claims**; and
- (c) retain the premium.

If **We** establish that **You** carelessly provided untrue or misleading information **We** will have the right to:

- (i) treat this policy as if it never existed, refuse to pay any **Claim** and return the premium if **We** would not have provided cover;
- (ii) treat this policy as if it had been entered into on different terms from those agreed, if **We** would have provided cover on different terms;
- (iii) reduce the amount **We** pay on any **Claim** in the proportion that the premium **You** have paid bears to the premium **We** would have charged, if **We** would have charged more.

We will notify **You** in writing if (i), (ii) and/or (iii) apply.

If there is no outstanding **Claim** and (ii) and/or (iii) apply, **We** will have the right to:

- (1) give notice that it is terminating this policy; or
- (2) give notice that it will treat this policy and any future **Claim** in accordance with (ii) and/or (iii), in which case **You** may then give **Us** notice that **You** are terminating this policy;

in accordance with the Cancellation and Cooling-Off Period Provisions.

1.9 **Cancellation and Cooling-Off Period**

(a) **Your Right to Cancel – Short-Term Policies**

If the business activity or event(s) in respect of which **We** provide cover is less than thirty (30) days' duration, there are no statutory cancellation rights under this policy. **You** are entitled to cancel this policy by notifying **Us** in writing, by email or by telephone but there will be no refund of premium.

(b) **Your Right to Cancel – All Other Policies**

(i) **During the Cooling-Off Period**

You are entitled to cancel this policy by notifying **Us** in writing, by email or by telephone within fourteen (14) days of either:

- (1) the date **You** receive access to this policy including but not limited to by electronic means; or
- (2) the date **You** purchased this policy;

whichever is the later.

A full refund of any premium paid will be made unless there has been a **Claim**, in which case the full premium is due.

(ii) **After the Cooling-Off Period**

You are entitled to cancel this policy after the cooling-off period by notifying **Us** in writing, by email or by telephone. Cancellation will be effective from the date of such notice to cancel. Any return of premium due to **You** will be calculated at a proportional daily rate depending on how long the policy has been in force unless there has been a **Claim**, in which case the full premium is due.

(c) **Our Right to Cancel**

We are entitled to cancel this policy, if there is a valid reason to do so, including:

- (i) any failure by **You** to pay the premium; or
- (ii) a change in risk which means **We** can no longer provide **You** with insurance cover; or

- (iii) non-cooperation or failure to supply any information or documentation **We** request, such as details of a **Claim**:

by giving **You** fourteen (14) days' notice in writing. Any return of premium due to **You** will be calculated at a proportional daily rate depending on how long the policy has been in force unless there has been a **Claim**, in which case the full premium is due.

(d) **Uneven Exposure**

Where the risk covered by this policy is distributed unevenly across **Your Period of Insurance**, any return of premium due to **You** will be calculated at a proportional rate which reflects the risk **We** have been exposed to, and not just the number of days the policy has been in force.

In making the calculation, **We** will take into account all factors relevant to establishing the risk **We** have been exposed to, including the nature and distribution of **Your** business activity and/or event(s) across **Your Period of Insurance**. At the time of cancellation **You** will need to provide **Us** with any information **We** ask for which is necessary for this purpose.

1.10 **Change in Circumstance**

You must tell **Us** as soon as practicably possible of **Your** becoming aware of any changes in the information **You** have provided to **Us** which happen before or during any **Period of Insurance**.

When **We** are notified of a change **We** will tell **You** if this affects **Your** policy. For example **We** may cancel **Your** policy in accordance with the Cancellation provisions, amend the terms of **Your** policy or require **You** to pay more for **Your** insurance. If **You** do not inform **Us** about a change it may affect any **Claim** **You** make or could result in **Your** insurance being invalid.

1.11 **Fraud**

If **You**, or anyone acting for **You**, make a fraudulent **Claim**, for example a loss which is fraudulently caused and/or exaggerated and/or supported by a fraudulent statement or other device, **We**:

- (a) will not be liable to pay the **Claim**; and
- (b) may recover from **You** any sums paid in respect of the **Claim**; and
- (c) may by notice to **You** treat this policy as having been terminated with effect from the time of the fraudulent act.

If **We** exercise **Our** right under (c) above:

- (i) **We** shall not be liable to **You** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to the **Our** liability under this policy (such as the occurrence of a loss, the making of a **Claim**, or the notification of a potential **Claim**); and
- (ii) **We** need not return any of the premium paid.

5.1 Operative Clause

The **Insurer** will make good the **Insured's** loss in respect of certain kinds of **Damage** to tangible property as stated in the **Schedule** belonging to the **Insured** or for which the **Insured** is responsible occurring during the **Period of Insurance**. The types of **Damage** covered for each Material Damage Specification are as stated under Clause 5.4 – Basis of Cover except where a different basis of cover is stated in the relevant Material Damage Specification.

The amount the **Insurer** will pay under this Section shall be determined by the relevant basis of valuation stated in Clause 5.3 – Basis of Valuation, which shall apply to all property except where a different basis of valuation is stated in the relevant Material Damage Specification.

In respect of each and every **Claim** under this Section, the **Insurer** will not cover the **Excess** stated in the **Schedule**.

At any given **Premises**, only the largest applicable **Excess** will apply in respect of that **Premises**.

The **Insurer** will not pay more than the Sum Insured stated in the **Schedule** in total for the relevant Material Damage Specification during the whole of the **Period of Insurance**. The Sums Insured in the **Schedule** should represent the full value of the relevant property when assessed by the relevant basis of valuation (N.B. in respect of buildings covered under the Buildings Specification, the Sum Insured should represent the full reinstatement value calculated in accordance with RICS standards, including professional fees as per Clause 5.3.1 – Property Repaired, Replaced, Rebuilt or Reinstated). Consequently, the Sum Insured will be reduced whenever there is a loss by the amount of that loss. Notwithstanding the foregoing, the Sum Insured will be reinstated in the following circumstances and subject to the following conditions:

- (a) where the amount of loss, regardless of any applicable **Excess**, does not exceed GBP 20,000 the Sum Insured will be reinstated automatically and immediately without additional premium;
- (b) where the amount of loss, regardless of any applicable **Excess**, exceeds GBP 20,000 the **Insurer** will automatically reinstate the Sum Insured but only until such time as they propose in writing a reinstatement premium or formally decline to offer any reinstatement. If the **Insurer** does not formally confirm either within ninety (90) days of the date of first advice of loss by the **Insured** to the **Insurer**, then the reinstatement will become permanent and free. If within the ninety (90) day period the **Insurer** formally declines to offer reinstatement, the Sum Insured will be reduced by the amount of loss thirty (30) days after the formal notice by the **Insurer**. If the **Insurer** offers a reinstatement, the **Insured** will have thirty (30) days to accept it, otherwise the Sum Insured will be automatically reduced by the amount of the loss upon expiry of the thirty (30) days.

The **Insurer** will grant a Day One Uplift on the full value Sums Insured in respect of the Buildings, Ancillary Buildings and Machinery and Plant Specifications solely to provide for inflation in value during the **Period of Insurance**. The Day One Uplift will be applicable in full from the first day of the **Period of Insurance**. The amount of the Day One Uplift is fifteen percent (15%) unless otherwise stated in the **Schedule**. The application of the Day One Uplift shall not diminish the **Insurer's** rights under Condition 5.6.1 – Underinsurance, it being a condition of this Section that the full values of property insured are provided to the **Insurer** and any additions during the **Period of the Insurance** are likewise provided.

Where the Sum Insured is stated to be first loss, the Sums Insured are in excess of any applicable **Excess**. Condition 5.6.1 – Underinsurance will only apply if a total value at risk is also stated. Further, where a Sum Insured is first loss, the Sum Insured is the most the **Insurer** will pay in respect of any one **Occurrence** and the Sum Insured will not be reduced by the amount of any loss in respect of any subsequent events.

5.3 Basis of Valuation

For assessment and for adjustment in the event of **Damage** under this Section, the Basis of Valuation shall be as follows except where a different basis of valuation is stated in the relevant Material Damage Specification.

5.3.1 Property Repaired, Replaced, Rebuilt or Reinstated

On property, other than those specified below, which the **Insured** repairs, replaces, rebuilds or reinstates, the basis of valuation is whichever costs the less of:

- (a) repairing to a condition equivalent to but not better or more extensive than when new; or
- (b) replacing, rebuilding or reinstating to the same quality, size and extent and (in the case of buildings) on the same site with new materials.

The **Insured** may, however, replace, rebuild or reinstate buildings to any quality, size or extent on the same or a different site within the same country provided that the total cost of doing so does not exceed the cost of replacing, rebuilding or reinstating to the same quality, size and extent on the same site.

The work of repair, replacement, rebuilding or reinstatement must commence and be undertaken with due diligence and dispatch, and at the latest within two (2) years from the date of the **Damage**. Failing this, the basis of valuation under Clause 5.3.2 – Property not Repaired, Replaced, Rebuilt or Reinstated shall apply.

Architects', surveyors', legal and other professional fees incurred to repair, replace, rebuild or reinstate following **Damage** are included but only up to the amounts determined in the scales of charges published by the respective professional bodies.

- (v) repairing or replacing telephone, gas, water and electric instruments, meters, piping, cabling and the like and their accessories, whether at the **Premises** or in adjoining yards or roadways, above ground or underground, the property of the **Insured** or for which they are responsible at the site of the **Damage**;
- (vi) locating the source of **Damage** following liquids escaping from their confines due to bursting, overflowing or leaking, in respect of water from pipes, water mains, water tanks, sprinkler installations or water apparatus, oil or fuel from storage tanks or oil from any fixed heating installation, including **Damage** caused as a result of trying to locate the **Damage**;

shall be covered, provided always that the **Insurer's** liability for such costs does not exceed in total twenty five percent (25%) of the cost of the reinstatement. Where the reinstatement is carried out on a different site, such costs will only be paid once and shall not exceed in total the amount that would have been paid had the reinstatement been carried out at the same site.

However, the **Insurer** shall not be liable for:

- (1) costs incurred in complying with any laws or ordinances under which notice to comply has been served upon the **Insured** prior to the

happening of the **Damage**;

5.3.2 **Property not Repaired, Replaced, Rebuilt or Reinstated**

On property which the **Insured** decides not to repair, replace, rebuild or reinstate, other than property due for demolition, the basis of valuation is as per the basis stated in Clause 5.3.1 – Property Repaired, Replaced, Rebuilt or Reinstated subject to deduction for depreciation, wear, tear and obsolescence.

5.3.3 **Property due for Demolition**

On property awaiting demolition, the basis of valuation is only the increase in the cost of demolition caused by the **Damage**.

5.3.4 **Property offered for Sale**

On property, other than stock, on offer for sale at the time of **Damage**, the basis of valuation is the sale price of the property or the cost of repair, replacement, rebuilding or reinstatement as per the basis of valuation under Clause 5.3.1 – Property Repaired, Replaced, Rebuilt or Reinstated, whichever is less.

5.3.5 **Technical Equipment**

On property consisting of electrical, optical or mechanical equipment or computer hardware the basis of valuation is the lesser of the cost to repair the equipment or the cost to replace the equipment with new equipment which has most nearly the same function even if to get the same function requires new equipment which is more advanced.

5.3.6 **Stock**

On property consisting of stock (and frozen and refrigerated goods), the basis of valuation is the cost to replace.

5.3.7 **Sports Equipment and Ground Maintenance Machinery and Equipment**

On property consisting of sports equipment and ground maintenance machinery and equipment, the basis of valuation is the lesser of the cost to repair or replace or, in the case of equipment and machinery more than twelve (12) months old at the date of **Damage**, its market value at the date of **Damage**.

5.3.11 **Other Debris Removal**

Debris removal from the **Premises** or immediately adjacent areas, other than as referred to in Clause 5.3.1 – Property Repaired, Replaced, Rebuilt or Reinstated above, of covered property which has sustained **Damage** is included but only up to ten percent (10%) of the amount of such **Damage**.

These costs will not include research and engineering nor any costs of recreating, gathering or assembling the **Data**. If such media is not repaired, replaced or restored the basis of valuation shall be the cost of the blank **Data Processing Media**. However, this Policy excludes any amount pertaining to the value of such **Data**, to the Insured

or any other party, even if such **Data** cannot be recreated, gathered or assembled.

The **Insurer's** liability for the cost of repair or replacement of **Data** shall be limited to GBP 15,000 any one **Occurrence** and in the aggregate for the **Period of Insurance**, and subject always to the applicable Sum(s) Insured and any other applicable limit. 5.5.4 **Loss Prevention Expenses**

The Material Damage Section extends to include costs incurred to temporarily protect or preserve property due to actual or to prevent imminent **Damage**, but not exceeding the amount by which a loss under this Section is reduced by reason of such preventative or protective action. Such costs are subject to the Sum Insured and **Excess** that would have applied had the **Damage** occurred.

5.6 **Conditions**

5.6.1 **Underinsurance**

If the property covered by the relevant Material Damage Specification shall at the time of any loss be of greater value than the Sum Insured stated against that Specification in the **Schedule** (after the application of any Day One Uplift), the **Insured** shall only be entitled to recover hereunder such proportion of the amount otherwise payable for the loss pursuant to the policy as the Sum Insured bears to the actual total value of the said property.

However, where the applicable Sum Insured is stated to be first loss, this clause shall not apply.

5.6.2 **Capital Additions**

Where cover is provided for Buildings and/or Machinery and Plant at any given **Premises** and further such items are added or acquired or they are physically improved during the **Period of Insurance**, the cover provided by the policy at such **Premises** shall include such additions, acquisitions or improvements for up to ninety (90) days (or to expiry of the **Period of Insurance** if sooner) without the **Insured** being required to notify the **Insurer**. Such cover shall cease automatically at the end of such period unless the **Insurer** has agreed terms for continuance.

Where such cover is already insured on a first loss basis, the addition, acquisition or improvement shall not operate to increase the first loss Sum Insured.

This condition does not apply to property whose use or occupancy is more onerous than that previously advised to the **Insurer**.

The maximum amount of such additions or acquisitions at any one **Premises** shall not exceed GBP 250,000.

5.6.3 **Claim Notification**

5.6.4 **Other Insurance**

Where the **Insured** has other insurance or insurances covering property which is also covered by this Section then the following provisions shall apply in determining the amount payable under this Section.

Any term of such other insurances which restricts the amount payable by making them excess of another unspecified policy or which excludes cover altogether or which restricts the amount payable because of the existence of some other unspecified policy shall be ignored for the purposes of this condition.

The amount payable under all insurances available to the **Insured**, including this Section, in respect of the loss in question, shall be added together to produce the total amount of available cover for the purposes of this condition. Only that part of any loss which would fall within the Sums Insured of this Section, having regard to the maximum or first loss Sum Insured and any excess, deductible, aggregate or sub-limit and including any underinsurance provision, shall be considered. The amount finally payable under this Section shall be the amount otherwise available under this Section alone multiplied by the ratio of that amount to the total amount of available cover.

5.6.5 **Other Interests**

The interest of any party supplying office equipment to the **Insured** under a hiring, leasing or similar agreement is noted under this Section provided that the nature and extent of such interest is disclosed to the **Insurer** in the event of **Damage**.

The **Insurer** shall be entitled to refuse to pay any **Claim** under the Material Damage Section if the following conditions are not complied with by the **Insured**, unless the **Insured** shows that non-compliance with this provision could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred:

Requirements (1) – (4) above do not apply to any door or window officially designated by the fire authority as a fire exit.

In respect of purpose-built shipping containers used for storage:

5.7 Extensions

5.7.1 Metered Water

The Material Damage Section extends to cover the costs incurred by the **Insured** up to a limit of GBP 2,000, payable in addition to the Sum Insured stated in the **Schedule**, for loss of metered water from pipes, irrigation equipment, sprinkler systems, water tanks and apparatus for which the **Insured** is responsible for, following **Damage** at the **Premises** during the **Period of Insurance**.

Providing that:

- (a) The costs incurred must be supported by excess water charges being demanded by the Water Authority; and
- (b) The **Insured** must maintain records of meter readings from the Water Authority meter at the **Premises** every ninety (90) days.

In the event of breach of (a) or (b) above the **Insurer** shall have no liability under this **Policy**, unless the **Insured** shows that non-compliance with (a) or (b) could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

However, the **Insurer** does not cover any loss of metered water due to leakage from or bursting from an underground pipe under this extension.

5.8 Exclusions

5.8.1 Communicable Disease

Notwithstanding any provision to the contrary within this policy or any endorsement attached thereto, this Section does not insure any loss, damage, claim, cost, expense, or other sum of any nature directly or indirectly based upon, arising out of, attributed to, caused by, or relating to:

- (a) any **Communicable Disease** (actual, threatened, perceived or suspected); or
- (b) any act, error, or omission in controlling, preventing, or suppressing, or failing to control, prevent, or suppress, or in any way relating to any actual, threatened, perceived or suspected outbreak of any **Communicable Disease**.

This exclusion applies regardless of any other cause or event contributing concurrently or in any other sequence with or to the loss.

Any actual, alleged, threatened, perceived, or suspected presence or existence of any **Communicable Disease** at, on, in, affecting, impacting, or impairing any property, or preventing any use of any property, shall not constitute loss or damage whether physical or otherwise, or loss of use to tangible or intangible property.

The presence of a person or persons at the **Premises** that is/are possibly infected with a **Communicable Disease** or is/are actually infected with a **Communicable Disease** shall not constitute loss or damage, whether physical or otherwise.

6 Business Interruption Section

6.1 Operative Clause

This Section covers the **Insured's** loss, as set out in the Business Interruption Specifications stated as Operative in the **Schedule**, resulting from interruption of or interference with the **Business** in the **United Kingdom** in consequence of:

- (a) any event which gives rise to a payment by the **Insurer** under the Material Damage Section or under any extension of that Section (other than 5.2.14 – Loss of Licence); or
- (b) other events as set out in each Business Interruption Specification or under any extension of this Section;

and all subject to all the terms, conditions and exclusions of this Section and of the policy as a whole.

This Section does not cover the loss of value of tangible property which has sustained **Damage**.

If the only reason **Damage** is not covered by this policy or by the other insurance, as the case may be, is because of a deductible or excess provision, then this Section will apply, subject to all its terms, conditions and exclusions, to the loss arising as a consequence of such **Damage**.

In no case will the **Insurer** pay for such loss over a longer period than it would take, with the exercise of due diligence and dispatch, for the **Business** to be restored to the condition that would have existed had no loss occurred.

The amounts insured in respect of each Business Interruption Specification are as specified in the **Schedule** and are in addition to the Sums Insured or Limits of Liability under any other Section of this policy, unless stated otherwise in the policy or in any **Endorsement**.

In no case will the **Insurer** pay more under each covered Business Interruption Specification than the applicable Sum Insured stated in the **Schedule**.

6.2 Specifications

No cover is available for any loss which does not fall under any of the covered Business Interruption Specifications or in respect of which a nil Sum Insured or "Not Covered" is inserted in the **Schedule**.

6.2.1 Loss of Gross Profit

(a) Cover

This Specification covers the **Insured's** loss of **Gross Profit** due to:

- (i) reduction in **Turnover**; and
- (ii) increase in cost of working.

The amount payable under this Specification shall be:

- (1) in respect of reduction in **Turnover**, the sum produced by applying the **Rate of Gross Profit** to the amount by which the **Turnover** during the **Indemnity Period** shall, in consequence of the **Damage**, fall short of the **Standard Turnover**;
- (2) in respect of increase in cost of working, the additional expenditure incurred for the sole purpose of avoiding or diminishing the reduction in **Turnover** which but for that expenditure would have taken place during the **Indemnity Period** in consequence of the **Damage**, but not exceeding the sum produced by applying the **Rate of Gross Profit** to the amount of the reduction thereby avoided;

less any sum saved during the **Indemnity Period** in respect of such of the **Standing Charges** as may cease or be reduced in consequence of the **Damage**.

(b) Conditions

- (i) If during the **Indemnity Period**, goods are sold or services rendered elsewhere than at **Premises** for the benefit of the **Business** either by the **Insured** or by

others on their behalf, the money paid or payable in respect of such sales or service shall be taken into account in arriving at the **Turnover** during the **Indemnity Period**.

- (ii) If any standing charges of the **Business** are not insured by this Section then in computing the amount recoverable hereunder as increase in cost of working, that proportion only of the additional expenditure shall be brought into account which the sum of the **Net Profit** and **Standing Charges** bears to the sum of the **Net Profit** and all the standing charges.
- (iii) If the **Business** is conducted in departments, the independent trading results of which are ascertainable, the provisions of this Specification shall apply separately as regards reduction in **Turnover** and increase in cost of working to each department affected by the **Damage**.
- (iv) This Specification is subject to the condition of underinsurance, that is to say, if the Estimated Annual Gross Profit for the Period stated in the **Schedule**, when estimated immediately prior to the date of loss without taking the loss into account, is greater than the estimate stated in the **Schedule**, then a percentage contribution shall be applied, being the percentage the excess amount bears to the estimate immediately prior to the date of loss. This percentage contribution shall be applied to the amount of the **Insured's** loss of **Gross Profit** after the application of any excess and borne by the **Insured** and the Sum Insured shall be reduced by the same proportion. However, this condition will only be applied if the percentage contribution is equal to or exceeds fifteen percent (15%).

6.2.2 **Loss of Gross Revenue**

(a) **Cover**

This Specification covers the **Insured's** loss of **Gross Revenue** due to:

- (i) reduction in **Revenue**; and
- (ii) increase in cost of working.

The amount payable under this Specification shall be:

- (1) in respect of reduction in **Revenue**, the amount by which the **Revenue** during the **Indemnity Period** shall, in consequence of the **Damage**, fall short of the **Standard Revenue**;
- (2) in respect of increase in cost of working, the additional expenditure incurred for the sole purpose of avoiding or diminishing the reduction in **Revenue** which but for that expenditure would have taken place during the **Indemnity Period** in consequence of the **Damage**, but not exceeding the loss of **Revenue** thereby avoided;

less any sum saved during the **Indemnity Period** in respect of such expenses and/or working costs as may cease or be reduced in consequence of the **Damage**, subject to the amount payable not exceeding the Sum Insured stated in the **Schedule**.

(b) **Conditions**

- (i) If during the **Indemnity Period**, **Business** is conducted elsewhere than at **Premises**, the money paid or payable in respect of such **Business** shall be taken into account in arriving at the **Revenue** during the **Indemnity Period**.
- (ii) This Specification is subject to the condition of underinsurance, that is to say, if the Estimated Annual Gross Revenue for the Period stated in the **Schedule**, when estimated immediately prior to the date of loss without taking the loss into account, is greater than the estimate stated in the **Schedule**, then a percentage contribution shall be applied, being the percentage the excess amount bears to the estimate immediately prior to the date of loss. This percentage contribution shall be applied to the amount of the **Insured's** loss of

Revenue after the application of any excess and borne by the **Insured** and the Sum Insured shall be reduced by the same proportion. However, this condition will only be applied if the percentage contribution is equal to or exceeds fifteen percent (15%).

6.2.3 **Loss of Gross Rentals**

(a) **Cover**

This Specification covers the **Insured's** loss of **Gross Rentals** being losses comprising:

- (i) loss of **Rent Receivable**;
- (ii) increase in cost of working; and
- (iii) re-letting costs.

The amount payable under this Specification shall be:

- (1) in respect of loss of **Rent Receivable**, the amount by which the **Rent Receivable** during the **Indemnity Period** shall, in consequence of the **Damage**, fall short of the **Standard Rent Receivable**;
- (2) in respect of increase in cost of working, the additional expenditure incurred for the sole purpose of avoiding or diminishing the reduction in **Rent Receivable** which but for that expenditure would have taken place during the **Indemnity Period** in consequence of the **Damage**, but not exceeding the amount of reduction thereby avoided;
- (3) in respect of re-letting costs, the costs incurred during the **Indemnity Period** in re-letting the **Premises**, including legal fees in connection with the re-letting, but excluding any legal fees or other charges associated with re-letting which are payable by the tenant under the new lease agreement, solely in consequence of the **Damage**.

subject to the amount payable not exceeding the Sum Insured stated in the **Schedule**.

(b) **Conditions**

- (i) If during the **Indemnity Period**, accommodation is provided or services rendered elsewhere than at the **Premises** for the benefit of the **Business** either by the **Insured** or by others on their behalf, the money paid or payable in respect of such accommodation or services shall be taken into account in assessing the **Gross Rentals** during the **Indemnity Period**.
- (ii) This Specification is subject to the condition of underinsurance, that is to say, if the Estimated Annual Gross Rentals for the Period stated in the **Schedule**, when estimated immediately prior to the date of loss without taking the loss into account, is greater than the estimate stated in the **Schedule**, then a percentage contribution shall be applied, being the percentage the excess amount bears to the estimate immediately prior to the date of loss. This percentage contribution shall be applied to the amount of the **Insured's** loss of **Gross Rentals** after the application of any excess and borne by the **Insured** and the Sum Insured shall be reduced by the same proportion. However, this condition will only be applied if the percentage contribution is equal to or exceeds fifteen percent (15%).
- (iii) If at the date of the **Damage** any **Premises** are subject to a rent free period under the terms of the lease then the **Indemnity Period** stated in the **Schedule** shall be adjusted by adding the unexpired portion of the rent free period to the period shown in the **Schedule**.

6.2.4 **Book Debts**

This Specification provides cover up to the Sum Insured as stated in the **Schedule** for sums due to the **Insured** from customers where the **Insured** is unable to collect them as the direct result of **Damage** to records of outstanding debit balances.

This Specification also provides cover for collection expenses in excess of normal collection costs incurred because of the **Damage** as well as interest charges at ruling bank rates on any loan to offset impaired collections pending either, (as the case may be):

- (a) repayment by the debtor of outstanding debit balances whose collection has been delayed by such **Damage**; or
- (b) payment of the loss by the **Insurer**.

Where the **Insured** cannot accurately establish the total amount of debit balances outstanding as of the date of loss, such amount shall be computed as follows:

- (i) determine the amount of all outstanding debit balances at the end of the same fiscal month on the year immediately preceding the year in which the loss occurs;
- (ii) calculate the percentage of increase or decrease in the average monthly total of debit balances for the twelve (12) months immediately preceding the month in which the loss occurs, as compared with such average for the same months of the preceding year;
- (iii) the amount of all outstanding debit balances at the end of the same fiscal month on the year immediately preceding the year in which the loss occurs, increased or decreased by the percentage of increase or decrease in the average monthly total of debit balances for the twelve (12) months immediately preceding the month in which the loss occurs, as compared with such average for the same months of the preceding year, shall be the agreed total amount of debit balances as of the last day of the fiscal month in which said loss occurs;
- (iv) the amount determined under the foregoing paragraph, shall be increased or decreased in conformity with the normal fluctuations in the amount of debit balances during the fiscal month involved, due consideration being given to the experience of the **Business** since the last day of the last fiscal month for which statement has been rendered.

There shall be deducted from the total amount of debit balances, however established, the amounts of such accounts evidenced by records not lost, destroyed or damaged or otherwise established or collected by the **Insured** and an amount to allow for probable bad debts which would normally have been uncollectible by the **Insured**. All unearned interest and service charges shall be deducted.

6.2.5 **Stand Alone Increased Cost of Working**

This Specification provides cover for the increased cost of continuing the **Business** during the **Indemnity Period** specified in the **Schedule** over and above the costs that would have been incurred during the same period had no **Damage** occurred. Such increased cost shall include the cost of moving to and from and the additional rent of temporary premises, additional rates and taxes on such premises and expenses incurred in equipping the said premises to make them suitable for the **Business**, additional cost in respect of additional staff and overtime and allowances for meals to existing staff incurred in order to minimise any interruption or interference with the **Business** during the **Indemnity Period**.

Cover shall be limited to the increased cost which is incurred to maintain the **Business** as existing immediately before the **Damage**.

The **Insurer's** liability under this Specification shall not exceed:

- (a) Fifty percent (50%) of the Sum Insured during the first three (3) months; nor
- (b) a proportional share of the balance of the Sum Insured during each of the remaining months of the period shown in the **Schedule** as the **Indemnity Period**.

This Specification does not cover loss resulting from **Damage** to documents, manuscripts, business books, patterns, models, moulds, plans, designs and computer systems' records, unless specifically insured as a separate item.

6.2.6 **Auditors Charges**

This Specification provides cover for charges payable by the **Insured** to their auditors or professional accountants for producing and certifying any particulars or details contained in the **Insured's** books of account or other **Business** books or documents or such other proofs, information or evidence as may be required by the **Insurer** in connection with a **Claim** under any of the other Business Interruption Specifications of this Section.

The amount the **Insurer** will pay in respect of this Specification is included in the Sums Insured in respect of the other Business Interruption Specifications.

6.3 **Conditions**

6.3.1 **Adjustments**

In respect of the **Rate of Gross Profit, Standard Rent Receivable, Standard Revenue** and **Standard Turnover**, adjustments shall be made to provide for the trend of the **Business** and for variations in or special circumstances affecting the **Business** either before or after the **Damage** or other event as set out in each Business Interruption Specification or under any extension of this Section, so that the figures thus adjusted shall represent as nearly as may be practicable the results which but for the **Damage** or other event would have been obtained during the relative period after the **Damage** or other event.

6.3.2 **Alterations**

If during the **Period of Insurance** any alteration is made either in the **Business** or in the **Premises** where the **Insured** conducts the **Business** or in property used in the **Business** and the risk of **Damage** is increased then it must be acknowledged by a properly signed **Endorsement** to the policy. If it is not, then the following restrictions will apply.

- (a) If the alteration increased the likelihood of **Damage** happening and loss resulted from that alteration which falls under this Section, then no cover will be given under this Section in respect of such loss.
- (b) If the alteration did not increase the likelihood of **Damage** happening but increased the likelihood of a greater loss under this Section following any **Damage** than would otherwise have been incurred, then the liability under this extension will be reduced to what it would have been if the alteration had not been made.

6.3.3 **Diligence**

The **Insurer** shall be entitled to refuse to pay any **Claim** under this Business Interruption Section if the **Insured** fails to do everything practical and in a positive and diligent manner to minimise any interruption of or interference with the **Business** and to avoid or diminish the loss.

6.3.4 **Claim Notification**

In the event of **Damage** in consequence of which a **Claim** is or may be made under this Section, the **Insured** shall:

- (a) notify the **Insurer** as soon as practicably possible;

- (d) deliver to the **Insurer** as soon as practically possible, details of **Damage** to records of outstanding debit balances owed to the **Insured** by the **Insured's** customers.

The **Insurer** shall be entitled to refuse to pay any **Claim** under the Business Interruption Section in its entirety or reduce the amount they pay if the above requirements are not complied with.

In the event of a **Claim** being made under this Section, the **Insured**, at their own expense, shall:

- (i) no later than thirty (30) days after the expiry of the **Indemnity Period** or within such further time as the **Insurer** may allow, deliver to the **Insurer** in writing particulars of their **Claim**, together with details of all other insurances covering property used by the **Insured** at the **Premises** for the purpose of the **Business** or any part of it or any resulting loss;
- (ii) deliver to the **Insurer** such books of account and other **Business** books, vouchers, invoices, balance sheets and other documents, proofs, information, explanation and other evidence as may be required by the **Insurer** for the purpose of investigating or verifying the **Claim**.

6.3.5 **Winding Up**

This Section will automatically come to an end if the **Business** gets wound up or carried on by an administrator, liquidator or receiver or is permanently discontinued or the **Insured** enters into a scheme of arrangement with creditors or if the **Insured's** interest ceases except by death.

6.4 **Specification Extensions**

The maximum amount payable for any one **Claim** and in the annual aggregate under each of the following Specification Extensions is GBP 100,000 or ten percent (10%) of the Sum Insured under Gross Profit, or Gross Revenue, or Gross Rentals, or Stand Alone Increased Cost of Working as stated in the **Schedule**, whichever is the lesser.

The Specification Extensions are subject to the condition of underinsurance, that is to say, the Sum Insured under Gross Profit, or Gross Revenue, or Gross Rentals, or Stand Alone Increased Cost of Working as stated in the **Schedule**, when estimated immediately prior to the date of loss without taking the loss into account, is greater than the estimate stated in the **Schedule**, then a percentage contribution shall be applied, being the percentage the excess amount bears to the estimate immediately prior to the date of loss. This percentage contribution shall be applied to the amount payable under the Specification Extensions after the application of any excess and borne by the **Insured**. However, this condition will only be applied if the percentage contribution is equal to or exceeds fifteen percent (15%).

The **Indemnity Period** under each of the following Specification Extensions shall be twelve (12) weeks, unless a lesser period is stated in the **Schedule**.
