

The aim of the Big Farmland Bird Count is to help raise awareness of the important role that farmers play in the survival of farmland bird populations. It will provide an opportunity for farmers to actually demonstrate what their work and effort delivers on the ground. Don't forget you can upload your count information online at [www.gwct.org.uk/bfbc](http://www.gwct.org.uk/bfbc)

Please complete as much of the following information as possible as it will help us to accurately record your survey details.

1. Contact and Farm Details.

Name	
Address	
Post Code	
Grid Reference (if known)	

Farm Size ha	
--------------	--

2. What are the main enterprises on your farm? Please could you tick all that apply

Arable – Combinable Cropping		Poultry – Free Range	
Arable – Field vegetables		Poultry – Housed	
Horticulture -		Pigs – Out door	
Beef / Sheep		Pigs – In door	
Diary		Top fruit	
Others not listed			

3. Is your farm in an Environmental Stewardship Scheme? Yes/No

Environmental Stewardship	Please Tick as appropriate
ELS	
HLS	
Other Scheme	

4. Is there a shoot on your farm? Yes/No

5. If yes do you release birds? Yes/No

Please return completed sheets to BFBC, Game & Wildlife Conservation Trust, Burgate Manor, Fordingbridge, Hampshire. SP6 1BR

### Guidelines for your count

- Please count the birds at your chosen site for ½ hour between 7<sup>th</sup> & 15<sup>th</sup> February.
- We would recommend that the count takes place at first light to see maximum activity.
- If possible the count should take place in clear dry weather. Please do not count in the fog.
- Your count area should be approximately 2ha and ideally it should all be visible from one vantage point.
- Only record the highest number of each bird species you see at the same time. Don't count the total over the half hour as you may get the same birds visiting more than once.
- Only count those birds within your survey area/ field.

### Detail of your count

1. Where did you do your count? Please record details of the main use of the farm land where you carried out your count by ticking the boxes below.

On arable land Yes/No

If yes Cropping / Land use			
Bare Ground	Stubbles	Winter crop	Other- please specify
